March 15: The Global Tooling Alliance Networking Event

Surround Yourself With Experts in the Field

The Global Tooling Alliance (GTA), featuring 19 specialized and diversified tool and die shops, is offering a unique networking opportunity for attendees March 15, 2012 10:00 a.m. to 2:00 p.m.

The GTA includes mold makers, builders of sheet metal stamping dies, as well as tooling, automation equipment and manufacturing shops that meet monthly to collaborate and support the manufacturing industry.

Members serve different industries, customers and suppliers using different manufacturing methods with unique experiences, skills and interest.

GTA Mission Statement:

A group of specialized companies combining their efforts and interests to provide solutions to the challenges facing the manufacturing industry. The Global Tooling Alliance provides customers with a single source point, capable of meeting all the demands of a project... a "local presence with a global reach". Our goal is to lower cost and minimize timing requirements, while maintaining a focus on world class quality.

GTA Motto:

A coalition of world class manufacturing companies united as one collaborative force.

Location:

AIAG Headquarters
26200 Lahser Road, Ste 200
Southfield, MI 48033

Date:

March 15, 2012
